Minutes

Commissioner Curtis moved to approve the minutes of the September 18, 2013 Redevelopment Commission meeting. Commissioner Miller-Wilson seconded. The minutes were approved as written 3-0.

Project Updates

Public Works Director Dave Buck updated the Commission on the following projects:

- Northwestern Ave. Phase II Project – between Lindberg and Yeager Roads is progressing. Most of the major construction has been completed. Landscaping is in. Signal modifications are being worked out with the contractor and sub-contractor. Lighting and poles should be installed within the next couple of weeks. A final change order for actual quantity adjustments can be expected at the November meeting.
- Mid-Block Crossings Project – Drawings have been finalized and are being prepared for submission to INDOT. A few changes have been made to provide better ADA improvements at the Tapawingo location to include an APS (accessible pedestrian signal). The project will be coordinated with the Myers Pedestrian Bridge rehabilitation project. A February 2014 letting date is anticipated.
- Salisbury Street Ph. III – Project is progressing with the ATMS. The utility coordination meeting has been held and plans are about 75% complete. Right-of-way property appraisals have started. A November 19th bid date is anticipated. A summary of received bids will be presented at the November 20, 2013 meeting of the Commission.

- Cumberland Avenue Ph. III Project – Utility coordination with CityBus is underway. Meetings with the Traffic Commission have been scheduled for later this month to discuss the scope of the project and the schedule. Bidding is expected to be in June of 2014 with construction commencing in July or August of 2014.

Parks Superintendent Joe Payne updated the Commission on the following projects:

- Cattail Trail Connection Project – Survey work has been completed. Design should be completed next month. Trail construction is planned within the current INDOT right-of-way along Northwestern and Sagamore, between Yeager and Cumberland. The goal is a May, 2014 INDOT letting for the project. Joe Payne expressed concern about the schedule due to some required Federal Highway Administration reviews. The Federal Highway Administration is presently on furlough due to the Federal government shutdown.

- Happy Hollow Park – A purchase order request for the low quote on ADA accessible picnic tables to be installed at the Park Shelters #1-#4 is underway.

Development Director Chandler Poole updated the Commission on the following Project:

- State Street Master Plan – A map of the area covered by the plan was displayed at the Sagamore West Farmers Market on October 9, 2013. Comments and ideas from the public were encouraged. Stakeholders of the various groups have been identified and invitations to the first two meetings have been sent. A Facebook page for the State Street Master Plan has been created. Ideas and suggestions can be submitted by email to ssmp@wl.in.gov. The first public meeting is tentatively set for December 2013.

IT Director Anthony Newman updated the Commission on the following project:

- Tyler Technologies –The Clerk-Treasurer’s office has been primarily addressing the setup of the chart of accounts. Tyler is on site today working on all aspects of the city financial management system. Progress is being made.
